## HOMELESS DAY SHELTER

New Life Day Center is a daytime homeless shelter and connecting point. We first serve as an emergency daytime shelter to get homeless persons out of the weather and off the streets. Whether it is showing the love of Jesus Christ or connecting them to the local resources they need to exit life on the streets, we are here. With your help and support, we are one step closer to changing the landscape of homelessness in our community. Together, we can spread hope, change lives, and make a lasting impact in the lives of the most vulnerable in Lexington.

## CLEANING UP THE COMMUNITY - THE PANHANDLING VAN PROGRAM

In March of 2016, there were 150 panhandlers on Lexington streets each day. NLDC started Panhandler Van Jobs Program in April of that year. Each weekday, we operate the van in locations that has the highest number of panhandlers by offering jobs to those on street corners. 90% of those offered accepted the jobs picking up trash on Lexington Streets. By the end of May 2016, the number of panhandlers on the streets had dropped to 20 per day from the original 150 per day. This is a drop of over 700%.

Currently, the panhandlers wages of \$10 per hour are reimbursed to NLDC by the city. Since this program began, the number of panhandlers on streets has averaged 20 per day. Trash pickup by the homeless panhandlers averages 300,000 gallons per year. Over 500 different homeless from NLDC have continued to work on the vans in the last 7 years. We are excited to continue serving the community.

## Volunteer Spotlight

**Mario Compos**

Mario is a board member and part time staff at New Life Day Center. As a person who has experienced both homelessness (3+ years) and drug addiction, Mario brings a very valuable perspective to our board and our staff. While homeless and struggling with addiction, Mario accepted Jesus Christ as his Savior, and with the help of his church and the New Life Day Center completely turned his life around. He has been clean from drugs, employed and housed for going on 4 years now. Mario has dedicated his life to helping others and his work at the New Life Day Center and with the Circle Program are the beginnings of that commitment. Mario's love and deep concern for other people experiencing homelessness is a testament to his faith and commitment.
